

Unique with class Pager in corporate design

Visible. In the corporate design.

Individualize the guest pagers to match your corporate identity.

Whether the bumper ring, the LED ring, or the large label on top of the pager.

Make him a part of the company.

Design the bumper in your CI color

Our proven bumper ring, which has been in use for years, is now available in various colors.

Simply indicate this with your next order.

LOGO Service

Bring your logo, your advertisement or a Message to the customer on the pager.

Professionally implemented, with design assistance!

LED Ring

Let the LED ring of your pager shine in your company's color.

White, Blue, Red, Green or Carnival
– whatever fits best.
